**Re: 2017/18 Recalculated Funding Allocations**

The 2017/18 recalculated funding allocations have now been determined based on actual September 30, 2017 enrolment.

The operating grant block has been increased by \$107.4 million for 2017/18 to provide funding to all eligible students at the published rates. The Basic Allocation for school-age students other than those enrolled in Distributed Learning remains at \$7,301 per full-time equivalent (FTE), as published in the Operating Grants Manual in March.

Actual September 2017 enrolment at the provincial level is 2,609 school-age and adult FTEs, more than districts estimated in February 2017 and 4,974 school-age and adult FTEs over the 2016/17 school year totals. Unique student needs enrolment has also exceeded district estimates.

**Classroom Enhancement Fund:**

Allocations for the Classroom Enhancement Fund (CEF), based on fall 2018 submissions from school districts are also available. CEF will fund 3,539 Teacher FTE at a cost of \$324.8 million, together with overhead costs of \$55.2 million and an estimated \$23.8 million for remedies. The total CEF allocation, net of unused priority measures funding, is \$394.0 million. District by district allocations will be notified through a separate communication.

The complete recalculated funding allocation package is located on our website at:  
<http://www2.gov.bc.ca/gov/content/education-training/administration/resource-management/k-12-funding-and-allocation/operating-grants/k12funding-17-18>

Grant adjustments will be disbursed to school districts on the following basis:

January 2018	40 percent
February and March 2018	15 percent each month
April, May and June 2018	10 percent each month

**Targeted Funding:**

The minimum spending amount for Aboriginal Education programs is identified in Table 4b, as prescribed under Section 106.4 of the *School Act*. This amount has been recalculated based on actual September 2017 enrolment data.

If you have any questions about the funding allocations, please contact Jonathan Foweraker, Director, Funding and Allocation Branch, at [Jonathan.Foweraker@gov.bc.ca](mailto:Jonathan.Foweraker@gov.bc.ca).

Amended budget instructions for 2017/18 will be provided to school districts shortly. A revised template for end-of-year CEF reporting will also be distributed in the New Year.

#### 1. Walk Limits:

Parents/guardians are responsible for getting their children to and from school. The board assists parents with this responsibility provided the student qualifies for transportation under the Board's Administrative Regulations.

Students residing in the Sunshine Coast School Board's jurisdiction, who are enrolled in a school within their designated catchment area (home school) are eligible for bus transportation as long as they reside at greater than the following [walking](#) distances from that school:

Parents/guardians are responsible for transportation of such students to and from the appropriate school bus pick-up location.

Parents/guardians are responsible for the safety and supervision of their children prior to pick-up by the bus and immediately after leaving the bus on their return trip home. Parents/guardians shall ensure the children are at the proper pick-up location five minutes prior to scheduled pick-up.

Transportation for students residing within the above noted walk limits is the responsibility of the parent/guardians.
