EXCELLENCE
IN ALL WE DO

School District No. 46 is a
community engaged in
lifelong learning and
educational excellence.

The Sunshine Coast of British Columbia is located 30 kilometres northwest of Vancouver and stretches 96 kms. along the picturesque eastern shores of Georgia Strait. Reached by a 40-minute ferry ride across Howe Sound from Horseshoe Bay, the Coast offers a wide range of activities

– recreational and educational – for residents and tourists.

Approximately 3,150 students are enrolled in our nine elementary, four secondary, one alternative and distributed learning schools. The schools are served by Thirdwave Bus Services (604-885-2513).

Students attend their neighbourhood school. If parents wish to apply for a transfer, they may contact their home school for detailed information.

Our schools are located throughout the Sunshine Coast. Our newest school, Gibsons Elementary School, was built in 2015 to LEEDS gold standard. The **alternative school** has sites in Sechelt and Gibsons.

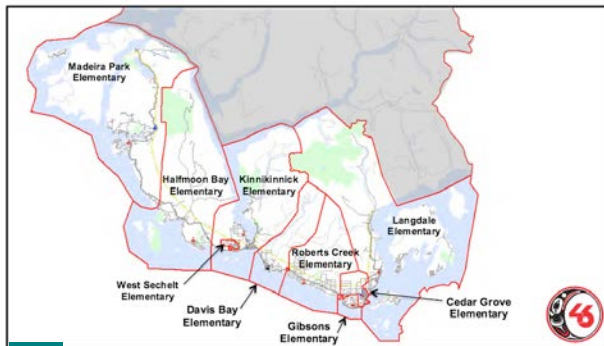

The school district works closely with all aboriginal partners to provide programs for all students. The shísháhl language curriculum is offered at Kinnikinnick Elementary and Chatelech Secondary Schools.

Parent Advisory Councils are established at all schools. Parents are encouraged to attend meetings to keep informed and support their child's education. The District Parent Advisory Council (**DPAC**) holds monthly meetings and everyone is welcome to attend. (Read more at www.sd46.bc.ca/index.php/dpac)

The Board of Education welcomes and encourages the use of school facilities by community organizations and groups. We support growth in community spirit, learning and health. Information on **booking facilities** can be viewed at www.sd46.bc.ca/index.php/facility-rentals or telephone 604-886-8811.
