Dear Minister Stone,

Further to our letter dated July 30, 2013, we have received the enclosed letter from the Sunshine Coast Regional District supporting our request that a crosswalk be created at the corner of Gonzales Road and Madeira Park Road to facilitate the safe travel of students to an outdoor classroom and amphitheater. Addressing this issue continues to be a top priority for our parents, our school district and the community as a whole.

We urge you to fulfill our request to help improve student and pedestrian safety in this rural community.

Sincerely,

Betty Baxter
