

1 FOUNDATIONAL STATEMENTS

1.1 Our **Vision** is a community engaged in lifelong learning and educational excellence.

1.2 Our **Mission** is to enable and inspire our students to realize their full potentials, as knowledgeable, confident and contributing citizens in a global community.

1.3 Our **Values**:

(i) Ethics

By placing ethics in high regard and through transparency, we ensure an environment of mutual trust and respect.

(ii) Inclusion

By engaging all learners and staff, we strive for a diverse, dynamic community that is welcoming and inclusive to everyone.

(iii) Collaboration And Equity

By working together in cooperation and equitable access, we create meaningful connection and a sense of belonging.

(iv) Innovation

By encouraging creativity, risk-taking and pride in personal and collective achievement, we aspire to excellence.

(v) Respect and Responsibility

Through clear communication and mutual respect, we believe that issues of environmental sustainability, social and fiscal responsibility can be addressed to support aware citizens and a healthy future for our local and global community.

(vi) Celebration

By celebrating the contributions of students, staff and community members, we create unity and bring joy to our work together.
