STAFF: VIOLENT THREAT RISK ASSESSMENT

Our staff will be fully supported for the work that we ask of them and that they ask of themselves through research-based **professional development**.

VIOLENT INCIDENT RESPONSE PLAN

ERASE VIOLENCE/ EMBRACE COMPASSION: BC Ministry of Education's School Safety Website

VTRA Fair Notice Letter

Lockdown – A lockdown procedure protects staff and students from a threat inside the building such as an intruder. Activating lockdown quickly will potentially save lives, reduce injuries and will assist police and other emergency responders in dealing with the situation effectively. The RCMP may also call a lockdown procedure if an incident is occurring within the direct vicinity of the school and it is unsafe to release the students.

Room Clear – is an action initiated by a teacher or supervising adult to send students out of a room away from a potential threat. Students will be sent to a designated safe area, which may differ depending on the situation.

Community Threat Assessment Agreement – establishes a community protocol for dealing with high-risk student behaviour.

Current partners in the agreement include – Ministry for Child and Family Development, Child and Youth Mental Health, School District 46 and the Sunshine Coast RCMP.

STAFF: PROFESSIONAL DEVELOPMENT

2b

Our staff will be fully supported for the work that we ask of them and that they ask of themselves through research-based professional development.
