

75 SCHOOL CALENDAR BYLAW

The *School Act*, Division 2.1 requires boards of education to submit to the minister at least 3 months before the expiration of the current school year, a school calendar that is in accordance with that set out by the school act and the BC School Calendar Regulation (BC Reg 314/12).

- 75.1 The Board will make publicly available a school calendar that it proposes to submit to the minister at least one month before the date the school calendar must be submitted to the minister.
- 75.2 The board must provide an opportunity to the parents of the students enrolled in each school to which the proposed school calendar is to apply, and representatives of employees of the board assigned to the school to provide comments to the board with respect to the school calendar made publicly available. This will ordinarily occur at one of the Board's standing committees, as defined in Policy 5.
- 75.3 The Board may, in accordance with the regulations of the minister, amend a school calendar made available to the public if, in the opinion of the Board, an amendment is necessary.
 - 75.3.1 The Board must, as soon as practicable and, in any event, within 30 days of amending a school calendar, make available to the public the amended school calendar.
- 75.4 Subsection 75.3.1 does not apply when the Board reschedules a non-instructional day previously scheduled in a school calendar if the board gives notice of the change to the parents of the students enrolled in the school to which the proposed change is to apply, and the representatives of employees of the board assigned to the school.
