

"Kindle your child's interest in learning"

FREE TOYS, INFORMATION & CHILDMINDING!

SPARK!

FALL. WINTER. SPRING.

SUPPORTING PARENTS ALONG THE ROAD TO KINDERGARTEN

The Sunshine Coast School District recognizes that the early years of a child's life provide a critical foundation for lifelong learning and development. Parents and caregivers of children newborn to five years old can attend a new 90-minute SPARK! class once every Fall, Winter and Spring until their child enters Kindergarten. Parents attend with other parents who have children the same age, and in every class parents receive information & toys to support their child's learning at each age & stage. Classes are FREE and focus on the latest research and ways that parents can support their child's learning at home. Classes are held in a variety of locations and at a variety of times. Early registration is essential to allow time for materials to arrive.

At SPARK! parents can also register for the Imagination Library so that their children receive a free book in the mail every month! Join the hundreds of Sunshine Coast families that are currently receiving Imagination Library books!
