

# Collaborating

I can achieve goals with my group members by sharing roles and responsibilities

I can cooperate with others for specific purposes

I can contribute during group activities

I can work with others towards a shared goal

SCHOOL DISTRICT 46  
SUNSHINE COAST

# Communicating

I can communicate clearly, confidently, and purposefully

I can communicate with peers and adults

I can communicate with intention and impact

I can collect and present information

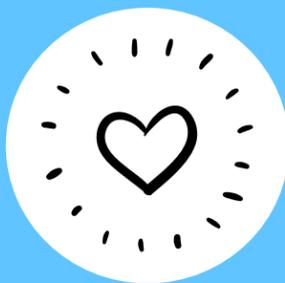

# Creative Thinking

I can think  
"outside  
the box"

I can come up  
with new ideas

I can explore  
my interests

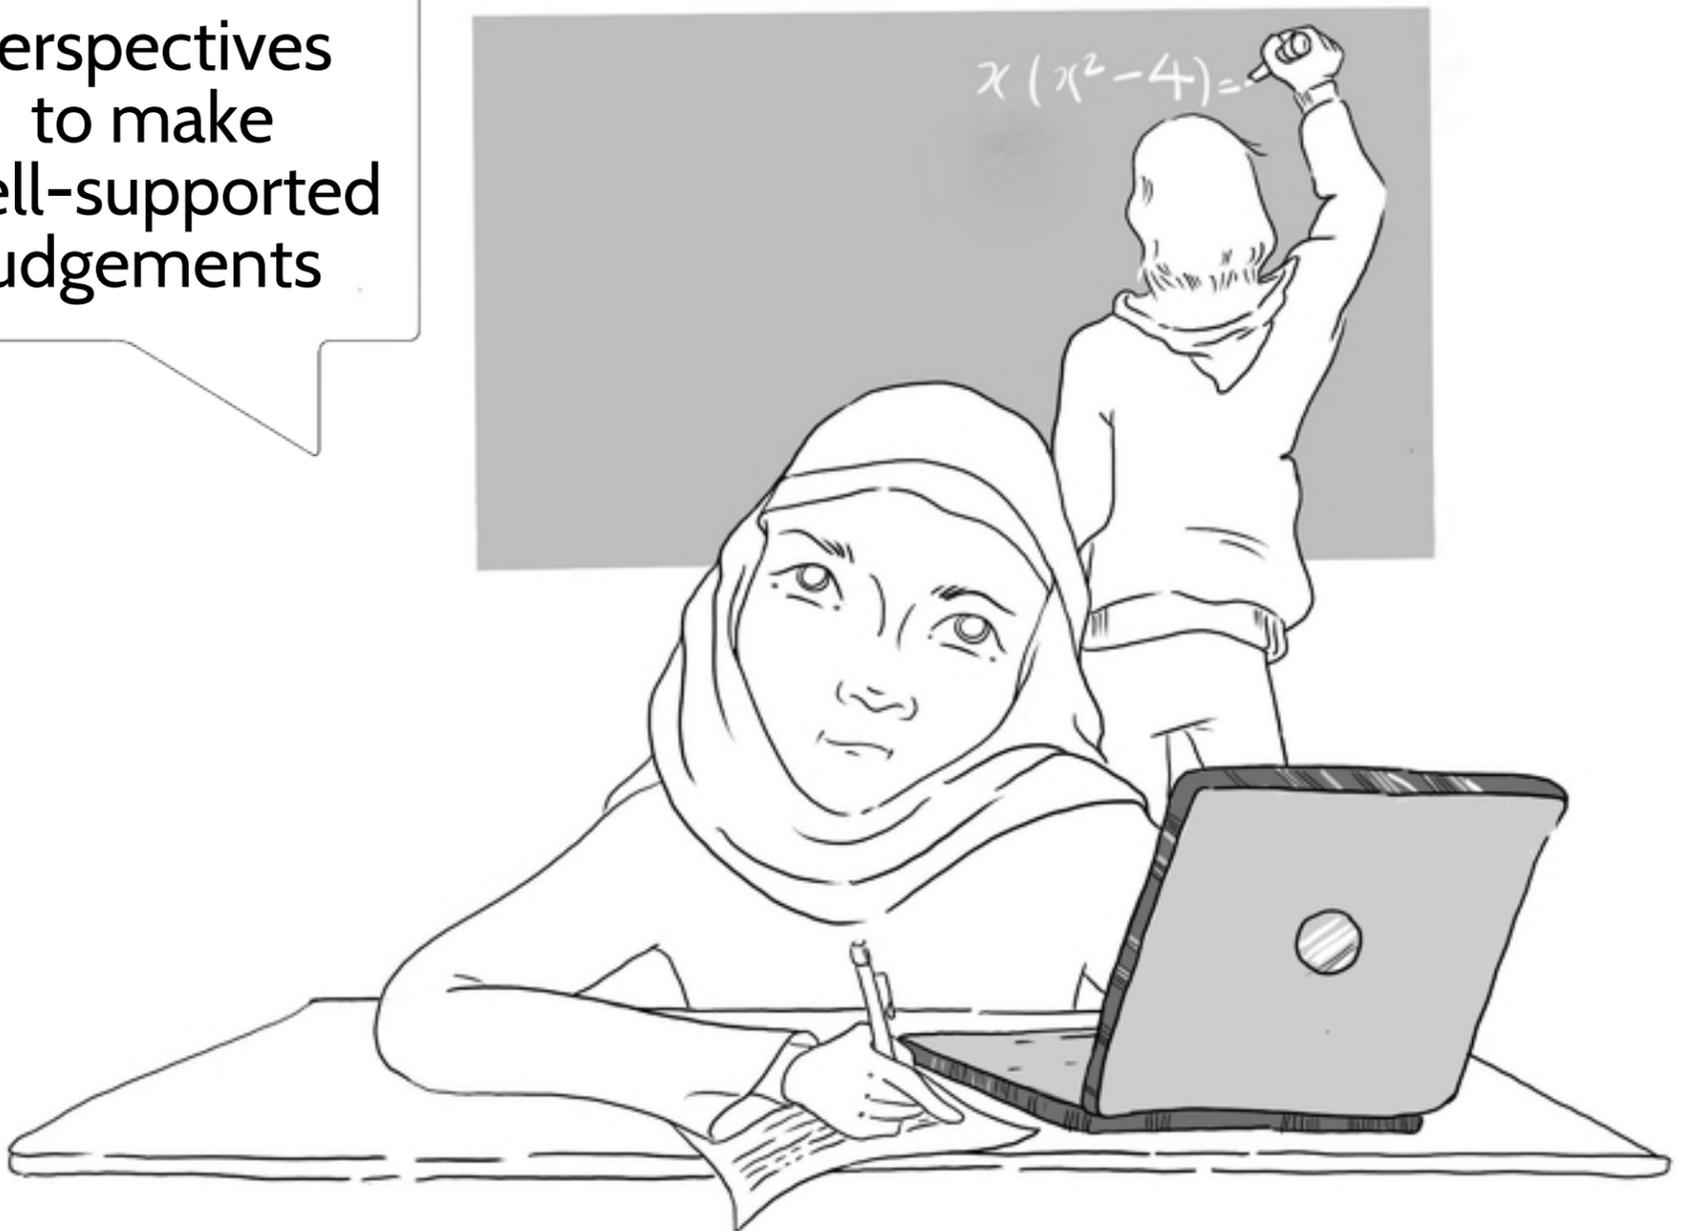

I can create  
new things

# Critical & Reflective Thinking

I can analyze evidence from various perspectives to make well-supported judgements

I can make observations and ask relevant questions

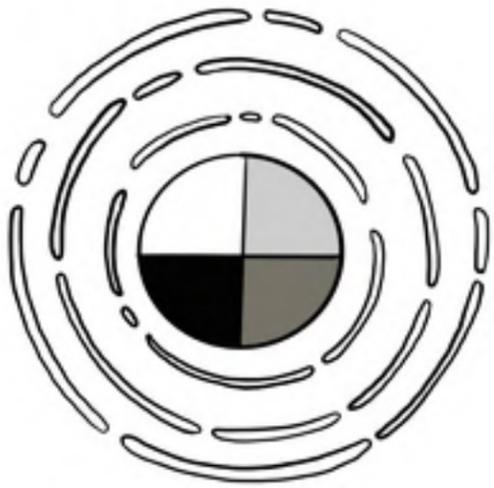

I can gather and analyze reliable evidence

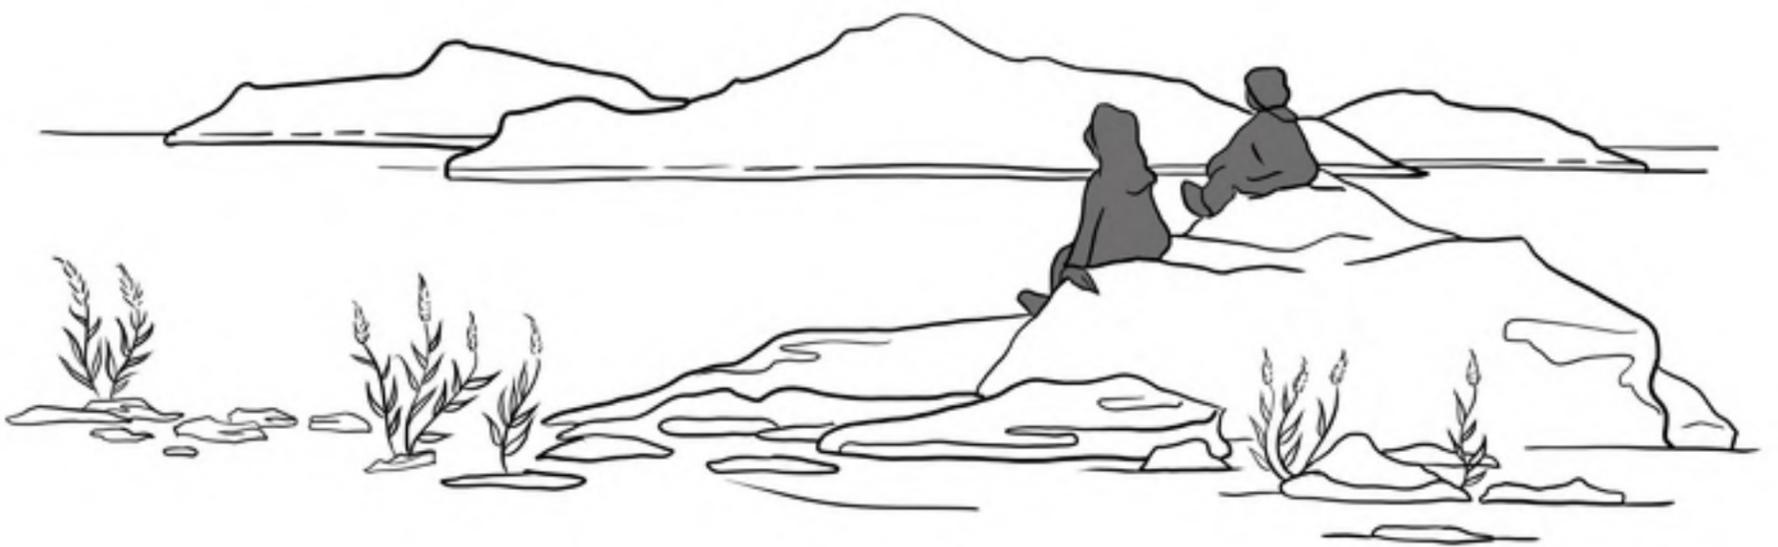

I can draw conclusions based on the evidence I've examined

# Personal Awareness & Responsibility

I take care of myself  
and make choices that  
support my well-being

I take  
responsibility  
for my own  
choices and  
actions

I can advocate  
for myself and  
use strategies to  
manage my  
emotions

I can set goals  
and use  
strategies to  
reach those  
goals

# Positive Personal & Cultural Identity

I can describe different aspects of my identity and I am proud of who I am

I understand my identity is shaped by many aspects including my relationships and culture

I understand my values are influenced by life experiences and affect my choices

I understand my strengths, what is important to me, and what makes me unique

# Social Awareness & Responsibility

I can make  
a difference

I can interact  
with others and  
the environment  
respectfully &  
thoughtfully

I can advocate  
and take action  
for my  
community and  
the environment

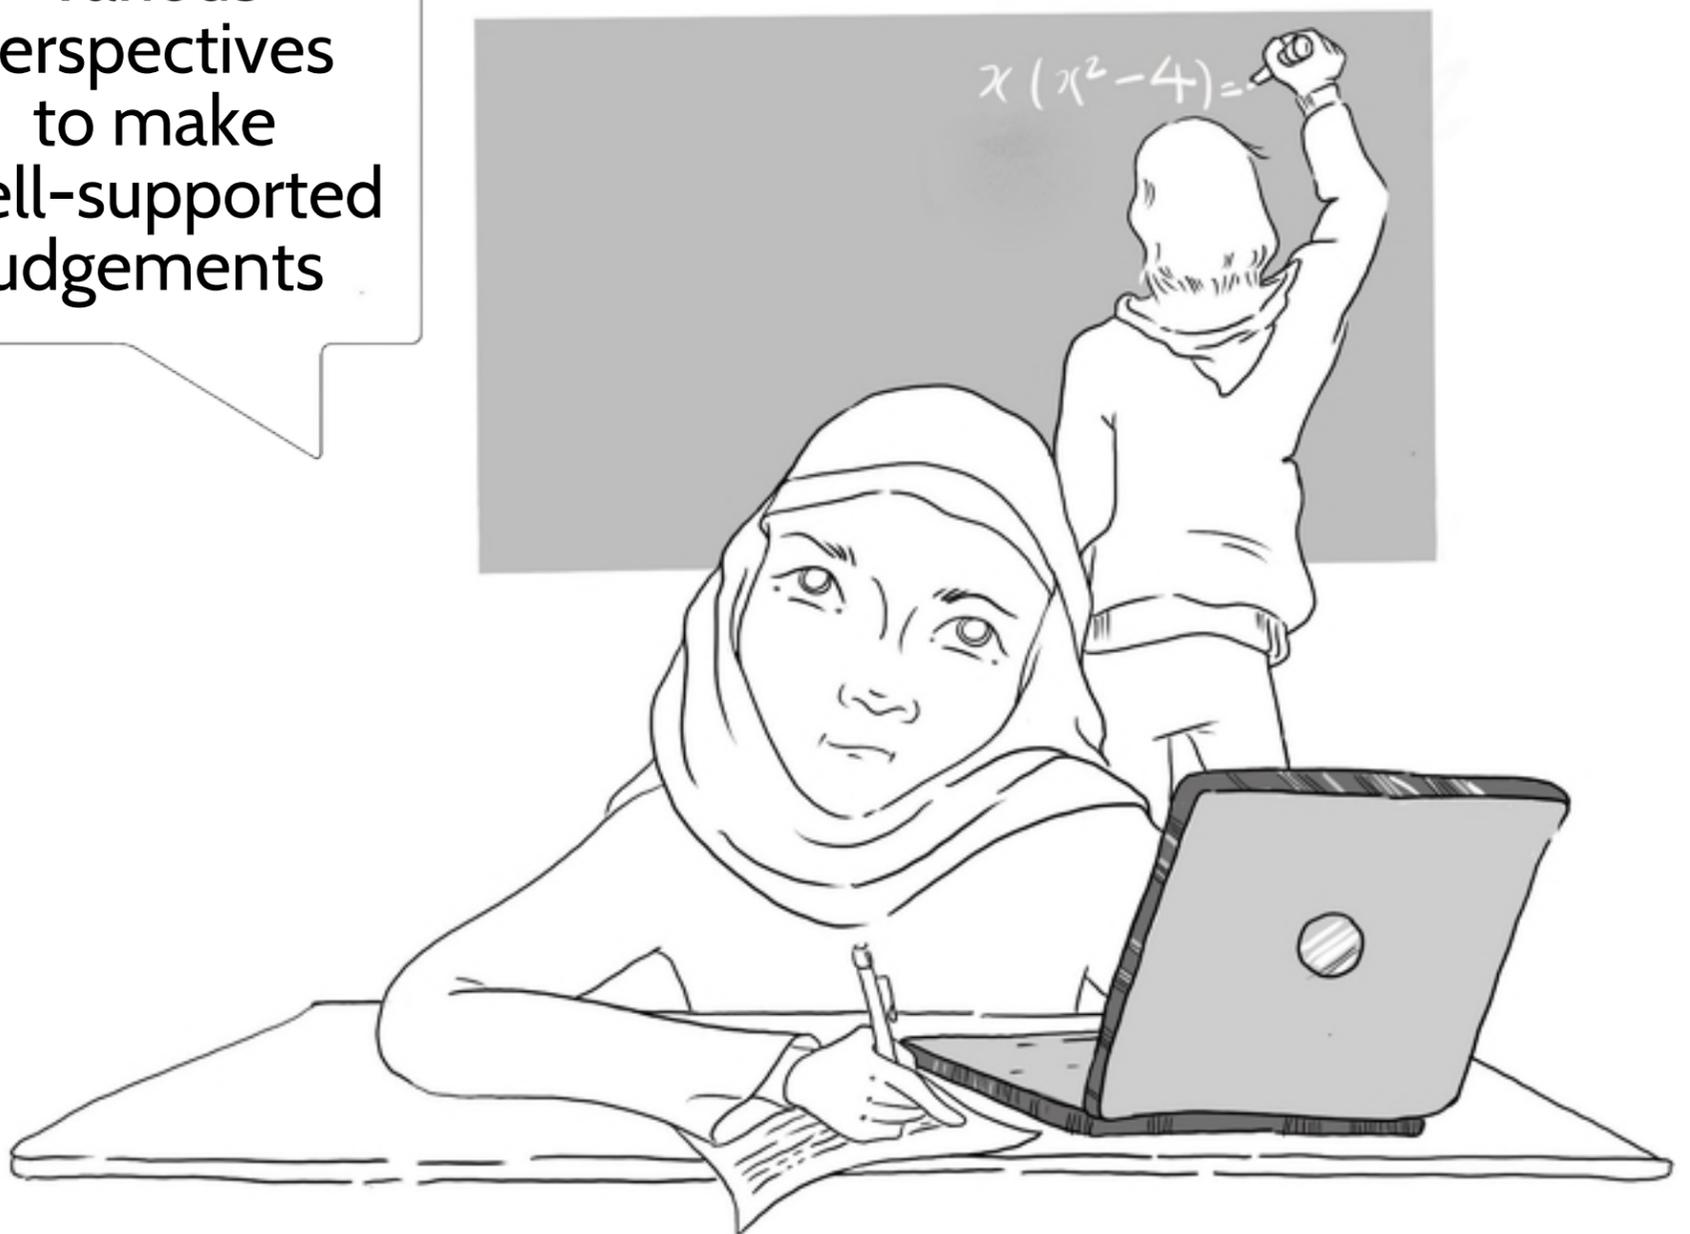

I can make  
positive,  
sustainable  
change for others  
and for the  
environment
