

**SCHOOL DISTRICT 46
SUNSHINE COAST**

GIRLS ONLY CODING WORKSHOP

FOR 10-12 YEAR OLDS

In collaboration with Green Bricks (<https://greenbricks.ca/>)
and Science Odyssey (www.sciod.ca)

This workshop is a fun and interactive opportunity to learn
coding through the easy-to-use program Scratch
(www.scratch.mit).

This coding experience will allow every young coder to
engage in their creativity and build their critical thinking.
