In response to your letter dated October 21, 2016 inviting input from the Sunshine Coast Regional District (SCRD) on the matter of variations to the Trustee electoral areas, the Board of the Sunshine Coast Regional District adopted the following resolution at their meeting of November 24, 2016:

THAT the correspondence from School District No. 46 regarding Trustee Electoral Area (TEA) Variance be received;

AND WHEREAS ensuring First Nations participation in educational governance is fundamental to implementing the calls to action of the Truth and Reconciliation Commission;

AND THAT subject to the School District consultation with Sechelt Indian Government District (SIGD) and SIGD preference, the SCRD supports Option C "Identifying SIGD lands as a single TEA with an elected trustee and redistributing the number of trustees in other TEAs".

Dear Nicholas Weswick;

Reference: Trustee Electoral Area Variance

Thank you for your letter requesting input from the Town on the proposed variation to the current electoral areas for School District Trustees. Council considered your request at two separate meetings, the latest being December 6th, 2016.

During those discussions, the consensus of Council was to leave this decision in the hands of the School District and the Sechelt Indian Government District. Council was reluctant to identify a preferred option that may or may not reflect the wishes of the SIGD. Council has the utmost trust in your ability to resolve this equitably.

I trust this is the information you require at this time and we look forward to the public consultation process planned for this fall.
