

# SUNSHINE COAST SCHOOL DISTRICT 46

## EXPRESSION OF INTEREST - SNOW REMOVAL 2024/2025

### Description:

Sunshine Coast School District 46 (SD46) has a requirement to periodically plow snow at district sites (parking lots and driveways) after significant snowfalls. The district is accepting applications from contractors who are interested, and able to commit to supply operated equipment when called upon by the Facilities and Maintenance Department for snow plowing purposes. The district understands that one contractor may not be able to manage all SD46 sites, therefore expressions of interest may be broken down by geographical area (see below). Expressions of interest should be directed to:
