

Do you need help connecting with agencies who provide:

- Local business services and hours
- Volunteers
- Government assistance
- Well being
- Donations
- Family and children's services
- Food banks and food delivery
- Food resources
- Health and Wellness
- Transportation
- Public safety

The volunteer task force will try to help community members to connect with the organizations who are responding to the special needs arising from the COVID-19 crisis.

The Sunshine Coast Community Task force is a team of dedicated volunteer and community organizations working together to connect the people and the resources they need during the current crisis.
